

Remembering A Loved One

As we work toward the landscaping around the "education station," several new gardens will be created that call for stone, mulch, shrubs and perennials. The distinct garden areas and estimated costs are as follows:

1. South side garden \$200
2. West side garden \$250
3. North side garden \$150
4. Balcony and deck planters \$100

If you would like to donate in honor of a loved one, please complete the form below, make checks payable to the Eco-Justice Center and designate which garden area you would like to sponsor. A memorial listing will be displayed at the Eco-Justice Center.
