## RACINE DOMINICAN

# ASSOCIATES

Associates seek to *live* and *proclaim*  
the Gospel of Jesus as they share the mission  
of the Racine Dominican Congregation:

*Committed to Truth  
Compelled to Justice*

## Jill Mengesha

"Being part of the Dominican Community of saints and seekers is a huge blessing and gift in my life. There is no substitute for good company, to keep one's focus on the true path, in daily life and in ministry."

## Jim Kruse

"With my Racine Dominican association I am exposed to more opportunity to service, to listen to gain knowledge of not only my Catholic faith but of all faith through the eyes of others."

## Cora Twohig-Moengangongo

"While I live in Toronto Canada, I am able to actively participate in my relationship with this Community of Sisters and Associates in large measure through the rich communication I share with them. Living the reality of unity as one in relationship with all that is, with the Creator of all, with those joined in faith and church is a gift in associate life."

*Committed to Truth Compelled to Justice*
