What Might It Mean To Be a Man Today?

What is it to be a man today?
Who are you as a man?
Who do you want to be or become as a man?

This day-long program for men will explore the topic of manhood as it relates to how men view themselves and their ordinary, day-to-day lives.

We’ll consider manhood as portrayed in popular culture and how manhood can be viewed in other, larger frames of reference, including that of the universe story, creation, images of the Divine and mysticism.

Come, explore with other men how our frame of reference can influence our thoughts and attitudes about what it means to be a man and how we choose to live. Our time together will include:

- guided and silent reflections
- times of discussion
- opportunities for prayer, meditation and solitude

Schedule, Cost and Registration

**Schedule**
Check-in between 8:30am and 9:15am on Saturday, April 22. The retreat will begin at 9:30am and concludes with 5:30pm supper.

**Cost**
$35.00 includes meals, snacks, materials and handouts.

**Registration**
Space is limited. Please complete the registration form and return it by Monday, April 17th.

...the newly evolving man is unabashedly masculine – purposeful, confident, directed, vulnerable, living with deep integrity and humor, sensitive, spontaneous and spiritually alive...He has embraced both his inner masculine and feminine, and he no longer holds onto either of them...

David Deida

...men live under the pressure of one unrelenting message:
Do not be perceived as weak...

Brene' Brown
