Dear Maryann and Sisters,

On behalf of the Leadership Team and all the Dominican Sisters of Peace, I offer prayer and condolences on the death of Sister Dolores Enderle.

We will be forever grateful for Sister Dolores' willingness to leave her position at Siena Heights College and assume the responsibility of being President of our Saint Catharine College in Kentucky.

Sr. Dolores was always so pleasant and an avid learner of the history, programs, faculty, and culture of St. Catharine's. She was a highly educated, and we thought ourselves very lucky to get her to apply and then take up the Presidency. She was devoted to Dominican education and always open for a new challenge.

Because of her vision and energy, she left a lasting impact on our horticulture and agribusiness programs, computer system and women's basketball. Even the variety of these endeavors serves as a testament to her commitment to enhancing the college experience for the young women with whom she dealt.

As the first President of the Saint Catharine College who was not a member of the sponsoring congregation, she was able to share a broader view while also knowing how important the Dominican charism and four pillars are to all of us. I hope she felt as enriched by this experience as we did by knowing her. Her ministry and legacy are still valued by us and by all she influenced during those years even though the college has closed, and she is now enjoying her heavenly reward.

With prayer and sympathy,

Sr. Patricia Twohill, OP
