The Senior Companion Program (SCP) has been bringing people together by providing companionship with compassion, serving Racine and surrounding Wisconsin communities since 1978. Senior Companion Program is a nonprofit organization and services are provided at no cost.
Companionship
...the enrichment of sharing time with other people.

Our mission
...to enhance the quality of life for adults through socialization and information.

Who can participate
All are welcome. Companionship and socialization are vital for everyone’s happiness and well-being.

How it works
With respect for the dignity and unique characteristics of each participant, we match volunteers with those requesting or being recommended for the Senior Companion Program. When matched, the companions will agree on when to meet.

Are there fees?
The SCP is a no-cost service.
